Re: Membership in the Nevada Land Title Association

Dear Industry Professional:

The Nevada Land Title Association (NLTA) would like to officially invite you to join our organization. Our association consists of professionals in the Title Insurance industry including local title agencies, national title companies and underwriters. We have several attorneys who are affiliate members that work with our industry.

Why is the existence of NLTA so important to the continued strength and success of title and escrow service providers in the State of Nevada?

- NLTA has representation on the Nevada Division of Insurance's Title Advisory Committee. This committee provides input and direction to the Division regarding the needs of our industry which are so different than other insurance industries. These committee members represent the industry as directed by the MEMBERS of NLTA.
- NLTA has a full time representative that monitors bills that affect our industry. In recent sessions, NLTA has monitored over 38 bills weekly and reviewed over 100 bills that could have potentially affected our industry. NLTA testified on behalf of the industry on several occasions and worked to defeat bills that would have had a negative impact on our day to day operations, which affects consumers.
- NLTA submits bills on behalf of our industry. They lobby, testify and meet with leaders on behalf of the MEMBERSHIP to work through issues before they go to committee.
- The existence of NLTA creates an open forum to discuss legislative and federal issues affecting our industry. NLTA is becoming established as the place to call for assistance and information regarding the real estate industry.
- Membership provides opportunities to meet and establish working relationships with others throughout the State of Nevada to enhance your coverage.

We welcome your membership and participation. Included is an invoice that shows the cost to join our association. If you are interested, simply fill in your name and contact information, including an email address, select the appropriate membership fee and mail to Patrick Harris as shown on the invoice.

We look forward to hearing from you!

Sincerely,

Denny Burg – President

Martin E. D'Andrea – Vice President
